## Withholding Certificate for Pension or Annuity Payments

OMB No. 1545-0074

2014

**Purpose.** Form W-4P is for U.S. citizens, resident aliens, or their estates who are recipients of pensions, annuities (including commercial annuities), and certain other deferred compensation. Use Form W-4P to tell payers the correct amount of federal income tax to withhold from your payment(s). You also may use Form W-4P to choose (a) not to have any federal income tax withheld from the payment (except for eligible rollover distributions or payments to U.S. citizens delivered outside the United States or its possessions) or (b) to have an additional amount of tax withheld.

Your options depend on whether the payment is periodic, nonperiodic, or an eligible rollover distribution, as explained on pages 3 and 4. Your previously filed Form W-4P will remain in effect if you do not file a Form W-4P for 2014

What do I need to do? Complete lines A through G of the Personal Allowances Worksheet. Use the additional worksheets on page 2 to further adjust your withholding allowances for itemized deductions, adjustments to income, any additional standard deduction, certain credits, or multiple pensions/more-than-one-income situations. If you do not want any federal income tax withheld (see *Purpose*, earlier), you can skip the worksheets and go directly to the Form W-4P below.

Sign this form. Form W-4P is not valid unless you sign it.

**Future developments.** The IRS has created a page on IRS.gov for information about Form W-4P and its instructions, at *www.irs.gov/w4p*. Information about any future developments affecting Form W-4P (such as legislation enacted after we release it) will be posted on that page.

#### **Additional Instructions**

Section references are to the Internal Revenue Code.

When should I complete the form? Complete Form W-4P and give it to the payer as soon as possible. Get Pub. 505, Tax Withholding and Estimated Tax, to see how the dollar amount you are having withheld compares to your projected total federal income tax for 2014. You also may use the IRS Withholding Calculator at www.irs.gov/individuals for help in determining how many withholding allowances to claim on your Form W-4P.

**Multiple pensions/more-than-one-income.** To figure the number of allowances that you may claim, combine allowances and income subject to withholding from all sources on one worksheet. You may file a Form W-4P with each pension payer, but do not claim the same allowances more than once. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4P for the highest source of income subject to withholding and zero allowances are claimed on the others.

**Other income.** If you have a large amount of income from other sources not subject to withholding (such as interest, dividends, or capital gains), consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Call 1-800-TAX-FORM (1-800-829-3676) to get Form 1040-ES and Pub. 505. You also can get forms and publications at www.irs.gov/formspubs.

If you have income from wages, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or Form W-4P.

**Note.** Social security and railroad retirement payments may be includible in income. See Form W-4V, Voluntary Withholding Request, for information on voluntary withholding from these payments.

#### Withholding From Pensions and Annuities

Generally, federal income tax withholding applies to the taxable part of payments made from pension, profit-sharing, stock bonus, annuity, and certain deferred compensation plans; from individual retirement arrangements (IRAs); and from commercial annuities. The method and rate of withholding depend on (a) the kind of payment you receive; (b) whether the payments are delivered outside the United States or its commonwealths and possessions; and (c) whether the recipient is a nonresident alien individual, a nonresident alien beneficiary, or a foreign estate. Qualified distributions from a Roth IRA are nontaxable and, therefore, not subject to withholding. See page 4 for special withholding rules that apply to payments outside the United States and payments to foreign persons.

Because your tax situation may change from year to year, you may want to refigure your withholding each year. You can change the amount to be withheld by using lines 2 and 3 of Form W-4P.

Choosing not to have income tax withheld. You (or in the event of death, your beneficiary or estate) can choose not to have federal income tax withheld from your payments by using line 1 of Form W-4P. For an estate, the election to have no income tax withheld may be made by the executor or personal representative of the decedent. Enter the estate's employer identification number (EIN) in the area reserved for "Your social security number" on Form W-4P.

You may not make this choice for eligible rollover distributions. See *Eligible rollover distribution*—20% withholding on page 4.

**Caution.** There are penalties for not paying enough federal income tax during the year, either through withholding or estimated tax payments. New retirees, especially, should see Pub. 505. It explains your estimated tax requirements and describes penalties in detail. You may be able to avoid quarterly estimated tax payments by having enough tax withheld from your pension or annuity using Form W-4P.

**Periodic payments.** Withholding from periodic payments of a pension or annuity is figured in the same manner as withholding from wages. Periodic payments are made in installments at regular intervals over a period of more than 1 year. They may be paid annually, quarterly, monthly, etc.

If you want federal income tax to be withheld, you must designate the number of withholding allowances on line 2 of Form W-4P and indicate your marital status by checking the appropriate box. Under current law, you cannot designate a specific dollar amount to be withheld. However, you can designate an additional amount to be withheld on line 3.

If you do not want any federal income tax withheld from your periodic payments, check the box on line 1 of Form W-4P and submit the form to your payer. However, see *Payments to Foreign Persons and Payments Outside the United States* on page 4.

**Caution.** If you do not submit Form W-4P to your payer, the payer must withhold on periodic payments as if you are married claiming three withholding allowances. Generally, this means that tax will be withheld if your pension or annuity is at least \$1,680 a month.

If you submit a Form W-4P that does not contain your correct social security number (SSN), the payer must withhold as if you are single claiming zero withholding allowances even if you checked the box on line 1 to have no federal income tax withheld

There are some kinds of periodic payments for which you cannot use Form W-4P because they are already defined as wages subject to federal income tax withholding. These payments include retirement pay for service in the U.S. Armed Forces and payments from certain nonqualified deferred compensation plans and deferred compensation plans described in section 457 of tax-exempt organizations. Your payer should be able to tell you whether Form W-4P applies.

For periodic payments, your Form W-4P stays in effect until you change or revoke it. Your payer must notify you each year of your right to choose not to have federal income tax withheld (if permitted) or to change your choice.

Nonperiodic payments—10% withholding. Your payer must withhold at a flat 10% rate from nonperiodic payments (but see *Eligible rollover distribution—20% withholding* on page 4) unless you choose not to have federal income tax withheld. Distributions from an IRA that are payable on demand are treated as nonperiodic payments. You can choose not to have federal income tax withheld from a nonperiodic payment (if permitted) by submitting Form W-4P (containing your correct SSN) to your payer and checking the box on line 1. Generally, your choice not to have federal income tax withheld will apply to any later payment from the same plan. You cannot use line 2 for nonperiodic payments. But you may use line 3 to specify an additional amount that you want withheld.

**Caution.** If you submit a Form W-4P that does not contain your correct SSN, the payer cannot honor your request not to have income tax withheld and must withhold 10% of the payment for federal income tax.

Form W-4P (2014)

Eligible rollover distribution—20% withholding. Distributions you receive from qualified pension or annuity plans (for example, 401(k) pension plans and section 457(b) plans maintained by a governmental employer) or tax-sheltered annuities that are eligible to be rolled over tax free to an IRA or qualified plan are subject to a flat 20% federal withholding rate. The 20% withholding rate is required, and you cannot choose not to have income tax withheld from eligible rollover distributions. Do not give Form W-4P to your payer unless you want an additional amount withheld. Then, complete line 3 of Form W-4P and submit the form to your payer.

**Note.** The payer will not withhold federal income tax if the entire distribution is transferred by the plan administrator in a direct rollover to a traditional IRA or another eligible retirement plan (if allowed by the plan), such as a qualified pension plan, governmental section 457(b) plan, section 403(b) contract, or tax-sheltered annuity.

Distributions that are (a) required by law, (b) one of a specified series of equal payments, or (c) qualifying "hardship" distributions are **not** "eligible rollover distributions" and are not subject to the mandatory 20% federal income tax withholding. See Pub. 505 for details. See also *Nonperiodic payments*—10% withholding on page 3.

### Changing Your "No Withholding" Choice

Periodic payments. If you previously chose not to have federal income tax withheld and you now want withholding, complete another Form W-4P and submit it to your payer. If you want federal income tax withheld at the rate set by law (married with three allowances), write "Revoked" next to the checkbox on line 1 of the form. If you want tax withheld at any different rate, complete line 2 on the form.

**Nonperiodic payments.** If you previously chose not to have federal income tax withheld and you now want withholding, write "Revoked" next to the checkbox on line 1 and submit Form W-4P to your payer.

### Payments to Foreign Persons and Payments Outside the United States

Unless you are a nonresident alien, withholding (in the manner described above) is required on any periodic or nonperiodic payments that are delivered to you outside the United States or its possessions. You cannot choose not to have federal income tax withheld on line 1 of Form W-4P. See Pub. 505 for details.

In the absence of a tax treaty exemption, nonresident aliens, nonresident alien beneficiaries, and foreign estates generally are subject to a 30% federal withholding tax under section 1441 on the taxable portion of a periodic or nonperiodic pension or annuity payment that is from U.S. sources. However, most tax treaties provide that private pensions and annuities are exempt from withholding and tax. Also, payments from certain pension plans are exempt from withholding even if no tax treaty applies. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for details. A foreign person should submit Form W-8BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding, to the payer before receiving any payments. The Form W-8BEN must contain the foreign person's taxpayer identification number (TIN).

By January 31 of next year, your payer will furnish a statement to you on Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc., showing the total amount of your pension or annuity payments and the total federal income tax withheld during the year. If you are a foreign person who has provided your payer with Form W-8BEN, your payer instead will furnish a statement to you on Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding, by March 15 of next year.
